PUBLIC OFFER (USER AGREEMENT)

Date of Placement: August 17, 2026
Place of Placement: Hong Kong SAR

Pascal trading Limited / 帕斯卡貿易有限公司, a company incorporated under the laws of Hong Kong (hereinafter referred to as the "Operator"), hereby offers to individuals (hereinafter referred to as the "Client") to conclude this User Agreement under the terms of a public offer (hereinafter referred to as the "Agreement" / "Offer").

The technological core, backend data routing, and host cloud infrastructure of the Platform are provisioned by authorized regional partners specializing in cloud and financial technologies under bilateral technical integration and commercial partnership agreements (hereinafter referred to as the "Technology Partner").

An unconditional acceptance of the terms of this Offer shall be the moment the Client executes payment of the Service Fee via the integrated technical interfaces of the Platform.

The Agreement does not require bilateral signing on paper and holds full legal validity in electronic form.

TERMS AND DEFINITIONS

Platform — an information system including a software-hardware complex, a retail interface, and a Personal Account hosted on the domain name http://travelcard.hk/ (hereinafter referred to as the "Site"). The Platform functions as a referral service and services aggregator for road travelers.
Regional Operator — a licensed and authorized third-party local service provider or regional carrier operating within the destination countries (Kazakhstan, Uzbekistan, Kyrgyzstan) that carries out the actual issuance of final transit vouchers and road documentation.
Client — a legally capable individual accessing the Platform to perform automated calculation, order, and pay for Service Products from Regional Operators.
Registration — the sequence of interactive digital steps executed by the User to establish a Personal Account on the Platform.
Personal Account — a personalized, secure digital workspace generated for the User upon Registration, enabling the input of vehicle parameters, order placement, tracking transaction statuses, and downloading completed Transit Vouchers.
Service Product (Voucher) — a cross-border road voucher, transit pass, or travel documentation file generated by a Regional Operator based on data submitted by the Client.
Service Fee (Maintenance Fee) — the commercial remuneration paid by the Client to the Operator for granting digital access to the Platform's IT interface, executing real-time data processing, and securing technical API connectivity with backend networks.

1. GENERAL CONDITIONS AND STATUS OF THE PARTIES

1.1. Using the functionalities of the Platform, the Client performs automated selection of conditions, data input, and payment for Service Products via integrated technical and payment services of the Platform.
1.2. The final Service Product is compiled, issued, and financially backed exclusively by the respective Regional Operator of the destination country.
1.3. The Platform provides strictly technical and informational capabilities for the interaction between the Client and the systems of Regional Operators via the secure infrastructure of the Technology Partner.
1.4. Regulatory Limitation of Status: The Operator functions strictly as an IT interface provider and an e-commerce platform. The Operator is NOT an insurance company, financial broker, or underwriting agent, does not directly issue financial liability contracts, and does not assume any financial risks associated with the underlying Transit Vouchers.
1.5. Payments of Clients are processed through international payment services integrated into the Platform, including authorized payment operators in Hong Kong.
1.6. By accepting the terms of this Offer, the Client confirms their explicit consent to the automated data routing and cross-border transfer of personal and technical data to the Technology Partner and Regional Operators to generate Service Products.

2. ORDERING AND PAYMENT PROCEDURE

2.1. The Client independently, using the interactive modules of the Platform, fills out the Application, entering technical vehicle specifications and personal details.
2.2. The calculation of the total cost is generated automatically based on the tariffs of Regional Operators and the Platform Service Fee.
2.3. Payment is executed in a secure cashless environment. The main settlement currency can be Chinese Yuan (RMB) or another currency available in the payment gateway.
2.4. Upon successful transaction confirmation and data validation on the host side, the completed Service Product (Voucher) is sent to the Client's email and displayed in their Personal Account.

3. REGISTRATION ON THE PLATFORM

3.1. To utilize the extended services, the Client undergoes the Registration procedure by entering their full name, email, phone number, gender, passport data, and vehicle technical parameters.
3.2. Access to the Personal Account is provided immediately upon completion of Registration. The Client is obliged to ensure strict confidentiality of their authorization data.

4. RIGHTS, OBLIGATIONS AND LIMITATION OF LIABILITY

4.1. The Client undertakes to ensure absolute accuracy of all submitted data.
4.2. The Operator undertakes to maintain technical operability of interfaces and ensure correct data transmission to the systems of the Technology Partner.
4.3. The Platform is provided on an "As Is" basis. The Operator makes no warranties that the software infrastructure will operate uninterrupted or error-free.

4.4. The Operator bears no liability for omissions, technical delays, or voucher cancellations executed by Regional Operators or caused by downtime in foreign state registries.

5. INFORMATIONAL INTERACTION

5.1. The Parties recognize the legal validity of electronic documents, notifications in the Personal Account, and emails.
5.2. Official claims and inquiries are sent to the Operator's email: info@travelcard.hk.

6. PERSONAL DATA PROTECTION

6.1. Collection, storage, processing, and cross-border transfer of Clients' personal data are executed in strict compliance with the Personal Data (Privacy) Ordinance (Cap. 486) of Hong Kong (PDPO).
6.2. Detailed privacy rules are governed by the Privacy Policy permanently hosted at http://travelcard.hk/.

7. TERM AND AMENDMENTS OF THE OFFER

7.1. This Agreement is valid for 1 (one) year and is subject to automatic renewal unless terminated by either Party with a 30-day prior written notice.
7.2. The Operator retains the right to modify the text of this Agreement unilaterally.

8. APPLICABLE LAW AND DISPUTE RESOLUTION

8.1. Relations of the Parties shall be governed exclusively by the laws of Hong Kong SAR.
8.2. Mandatory pre-trial dispute settlement via written negotiation is required with a turnaround time of 10 days. Unresolved disputes shall be submitted to the competent courts of the Defendant's location.
